## OLD AGE KNOCKS AT EVERY DOOR

Yet only FIVE men out of each one hundred who reach the age of sixty have a REGULAR income. The other 95 are dependent upon a meager daily wage, their children or public charity for their support.

If you want to be one of the five in your one hundred, the five who are financially independent at 60, an account at this bank will prove a material help.

We pay 4 per cent. on Certificates of Deposit.

What's she demonstrating? Well, for one thing, she's demonstrating her good sense. She's using SPARTANA, formerly called Spartan Stain.

She's having a good time, and she's doing a job that she'll point to with pride when her so-called "better half" gets home.

Spartana is a practical varnish stain for popular use. Its uses are many and varied. Retouching the furniture, staining the woodwork of a room to match the furniture, finishing floors or linoleum, beautifying and renewing old picture frames, room mouldings, porch rockers, settees, and numberless other things that need renewing.

It is made in all shades and may be had to match any color.

Spartana is made of the very best materials. It brushes out easily and evenly and gives a clear brilliant effect.

No similar product on the market can compare with it for durability.

Get a can and get busy. A quarter buys a half pint.

## MOUNT CLARE

(SPECIAL CORRESPONDENCE)  
MT. CLARE, Aug. 20.—Although this town showed up an unusual amount of drunkenness Saturday evening and Sunday, no serious trouble occurred to disturb the peace of the community.
